KAIST GCC (Global Commercialization Center) cordially invites you to participate in the 2020 December Global Commercialization Conference and Workshop (GCCW), an Open Web Conference that will take place at Grand Ballroom of Daejeon ICC Hotel on December 3rd, 2020.

The 2020 December GCCW will bring together cooperative partners from all sectors – government representatives, R&D researchers, and industry partners – on a Global Innovation Platform to explore and discuss collaboration opportunities for ICT Convergence Technology Commercialization. This one-day event will focus on China and India to identify areas of cooperation, visualize business demand, and discuss joint R&D project to strengthen the global innovation ecosystem for technology commercialization.

We look forward to having opportunities to build mutually beneficial relationships through this meaningful event. Also, we appreciate all the speakers and participants, domestic and international, for taking time out to attend and support this event.
