

2015 GLOBAL ICT SEOUL FORUM

Global ICT Collaboration
Past, Present, and Future

Invitation to 2015 Global ICT Seoul Forum

■ Invitation Message

As a place to share a new global partnership of countries with ICT experts from around the world, the **2015 Global ICT Seoul Forum** will be held at the **HOAM Faculty House, Seoul National University** on **October 29th 2015**. Organized by the Ministry of Science, ICT and Future Planning (MSIP), Co-managed by the Institute for Information & Communications Technology Promotion (IITP), the Seoul National University-International IT Policy Program(IITPP), and Korea Advanced Institute of Science and Technology-Global IT Technology Program(IITP).

Followed by last year's success, this forum will gain ground as an International event by inviting government officials and international scholars and experts. At the same time, the forum is to be expanded as place of higher education and research cooperation.

We would be honored with your attention and participation in the 2015 Global ICT Seoul Forum guiding direction of cultivation global talent for better tomorrow.

Institute for Information and Communication Technology Promotion
the President of IITP, **Sang-hong Lee**
International IT Policy Program of Seoul National University
Director of ITPP, Prof. **Jun-seok Hwang**
Global IT Technology Program at Korea Advanced Institute of Science and Technology
Director of ITPP, Prof. **Jae-jeung Rho**
